Nationwide Presence

We are a group of experienced Federal Government contractors with prime contract experience. We have experience and provide services in locations across the United States.

■ We provide services in locations nationwide.

Contracting Options

8(a) STARS III

The Best-in-Class 8(a) STARS III GWAC is a small business set-aside contract that provides flexible access to customized IT solutions from a large, diverse pool of 8(a) industry partners.

8(a) Sole Source

All Federal agencies are able to procure requirements through the Small Business Administration's (SBA) 8(a) program. SBA 8(a) contracts can be sole sourced without a J&A up to \$100M for Department of Defense agencies and \$25M for Federal Civilian agencies.

Corporate Information

With 15 years of federal contracting experience, strong strategic partnerships, and a broad array of technology solutions and services, Wood River Federal Companies can simplify your procurement process and deliver results.
